OFFICIAL COMPLIANCE DOCUMENTATION

1. Safe Harbor and Takedowns

In accordance with the Digital Millennium Copyright Act (DMCA), we have established a take-down procedure. If you believe your copyrighted material is hosted without permission, you can submit a formal claim including your signature, work details, and URL.

2. Enforcement Actions

Upon receiving a valid take-down notice, DPGNotes will promptly delete the target document, invalidate the share code, and email the contributor.
