

Privacy Policy

OFFICIAL COMPLIANCE DOCUMENTATION

1. Data Collection Protocols

This Privacy Policy describes how DPGNotes collects, uses, and protects contributor credentials and content in accordance with the Indian Digital Personal Data Protection (DPDP) Act, 2023. We collect profile information (e.g. name, email, credentials) and document uploads (e.g. notes, sample papers, sessional guides).

2. Data Safety and Access Restrictions

All data is securely hosted in Google Firebase and Cloud Firestore. Firebase Security Rules prevent unauthorized data access, allowing only validated administrators and uploaders to write or delete content. Data transit is secured via JWT headers.
