1. INTRODUCTION

This Disclaimer governs the use of DPGNotes and its educational resources. By accessing or using the platform, users acknowledge and agree to the terms described in this document.

2. EDUCATIONAL PURPOSE

DPGNotes is developed solely for educational, academic, and learning purposes.

Study materials, notes, question papers, guides, and other resources are intended to assist users in their preparation and should not be considered official academic publications.

3. CONTENT ACCURACY

All educational materials, guides, notes, and examination resources are provided on an "AS IS" and "AS AVAILABLE" basis.

While DPGNotes strives to provide accurate and up-to-date information, the platform does not guarantee:

- Accuracy
- Completeness
- Reliability
- Examination Success
- Grade Improvement
- Error-Free Content
- Continuous Availability

Users are encouraged to verify important academic information from official educational institutions.

Disclaimer:- Our Developer Team regularly inspect new uploaded Docs and if they found any outdated information , they will created the correct version of that docs and send it to his contributor for replacement purpose by deleting the old one and uploading the updated one. But this process truly takes some amount of time so make sure to cross check all info available on docs.

4. USER-GENERATED CONTENT

Many resources available on DPGNotes are submitted by contributors.

DPGNotes does not independently verify every uploaded document before publication and therefore cannot guarantee the correctness, originality, or completeness of contributor-provided content.

=====

5. THIRD-PARTY SERVICES

DPGNotes may provide access to third-party services including:

- PDF Rendering Services
- Cloud Storage Providers
- Content Delivery Networks (CDNs)
- External Educational Resources
- Authentication Providers
- Analytics Services
- ILovePdf power Pdf Compression

These services operate under their own privacy policies and terms of use.

DPGNotes is not responsible for the availability, privacy practices, security, or content of third-party websites or services.

=====

6. EXTERNAL LINKS

The platform may contain hyperlinks directing users to external websites for additional educational resources.

DPGNotes does not endorse or control the information available on third-party websites and assumes no responsibility for their content or availability.

=====

7. LIMITATION OF LIABILITY

To the maximum extent permitted by applicable law, DPGNotes shall not be liable for:

- Academic losses
- Examination outcomes
- Data loss
- Service interruptions
- Third-party service failures
- Inaccurate user-contributed content

Disclaimer:- In term of Inaccurate user-contributed content , our team will regularly monitor and try to remove outdated docs to ensure correct information will reach to our consumer. In case of Third-party service failures we immediately shift to another secure and reliable service to ensure smooth functioning of our site and not lose of any kind of prior data. Back up services are still under implementation to ensure data recover after any kind of loss.

=====

8. USER RESPONSIBILITY

Users remain responsible for:

- Verifying academic information.
- Following institutional guidelines.
- Respecting copyright laws.
- Using the platform responsibly.
- Evaluating third-party resources before relying upon them.

=====

9. POLICY UPDATES

DPGNotes reserves the right to update this Disclaimer at any time.

Revised versions become effective immediately upon publication within the DPGNotes Legal Center.

=====

10. CONTACT

Questions regarding this Disclaimer may be submitted through the official DPGNotes support channels or the Legal Center contact page.
