

DATA RETENTION POLICY

OFFICIAL COMPLIANCE DOCUMENTATION

Document Version : 1.0

Effective Date : July 2026

Last Updated : July 2026

Organization : DPGNotes

Classification : Public Documentation

1. INTRODUCTION

This Data Retention Policy explains how DPGNotes retains, archives, anonymizes, and deletes information collected through its educational platform. The objective is to retain information only for legitimate educational, operational, security, and legal purposes while minimizing unnecessary storage of personal information.

This policy should be read together with the Privacy Policy, Tracking & Analytics Policy, Security Policy, and Terms & Conditions.

2. RETENTION PRINCIPLES

DPGNotes follows the principle of retaining only the information necessary to:

- Operate platform services
- Maintain contributor accounts
- Deliver educational resources
- Improve platform performance
- Investigate security incidents
- Meet applicable legal obligations
- Produce operational analytics

Data that is no longer required may be archived, anonymized, or permanently deleted.

3. ACCOUNT INFORMATION

Contributor account information may be retained while an account remains active.

Examples include:

- Name
- Username
- Email Address

- Profile Information
- Account Preferences
- Contributor Settings
- Authentication Records

=====

4. EDUCATIONAL CONTENT

Educational content uploaded by contributors may be retained until:

- Deleted by the contributor
- Removed by administrators
- Removed due to copyright complaints
- Removed for policy violations
- Deleted following account removal where applicable

Examples include:

- Notes
- Assignments
- Practical Files
- Sample Papers
- Educational PDFs
- Study Resources

=====

5. ANALYTICS RETENTION

Analytics information is retained only for operational and educational purposes.

Examples include:

- Anonymous Session IDs
- Reading Time
- Scroll Percentage
- Document Views
- Download Events
- Browser Information
- Device Information
- Search Activity
- Engagement Metrics

Temporary analytics records and telemetry may be archived, anonymized, or securely deleted after approximately 180 days unless longer retention is required for security investigations, legal obligations, or operational needs.

=====

6. SECURITY LOG RETENTION

Security logs may include:

- Login Attempts
- Session Logs
- Authentication Events
- Access Logs
- Administrative Audit Logs
- Error Logs
- Security Alerts
- Unauthorized Access Attempts

Security records may be retained only for the period reasonably necessary to investigate incidents, maintain platform security, and satisfy applicable legal requirements.

=====

7. ACCOUNT DELETION

When a contributor permanently deletes their account, DPGNotes may initiate deletion of associated account information in accordance with operational requirements and applicable laws.

This may include:

- Profile Information
- Contributor Preferences
- Personal Settings
- Uploaded Educational Content (where applicable)
- Likes
- Saved Preferences
- Contributor Metadata

Certain administrative, legal, audit, or security records may be retained where required by applicable law or for legitimate platform interests.

=====

8. BACKUPS & ARCHIVES

DPGNotes may maintain temporary system backups to support disaster recovery and service continuity.

Backup copies are retained only for operational purposes and are periodically overwritten or securely removed according to platform maintenance schedules.

=====

9. LEGAL RETENTION

Certain records may be retained for extended periods when necessary to:

- Comply with applicable laws
- Resolve disputes
- Enforce platform policies
- Investigate fraud
- Respond to lawful governmental requests
- Protect platform rights

=====

10. DATA DISPOSAL

Information scheduled for removal may be:

- Permanently Deleted
- Securely Erased
- Archived
- Anonymized
- Aggregated for Statistical Reporting

Reasonable measures are taken to prevent unauthorized recovery of deleted information.

=====

11. USER REQUESTS

Subject to applicable laws, users may request:

- Account deletion
- Removal of personal information
- Correction of inaccurate records
- Information regarding retained account data

Requests are processed in accordance with operational procedures and applicable legal requirements.

=====

12. POLICY UPDATES

DPGNotes may revise this Data Retention Policy periodically to reflect legal, technical, or operational changes.

=====

13. CONTACT

For questions regarding data retention, account deletion, or record management, please contact DPGNotes through the official Support Center or Legal Center.
